

Online Daily Energy Usage

View your daily usage through LCEC's online Account Access (must be an LCEC customer).

Not registered?

- From the LCEC Home Page, click on "Register for Account Access"
- Enter your 10-digit Account Number and Social Security number or other ID
- Click on "Continue"
- Create a User ID
- Click on "Submit"

Once you have logged on to Account Access, click on the "View Daily Energy Usage" link on the left navigation pane.

Tips!

- ✓ Sign up for Usage Alerts, set your threshold, and receive notifications (via email and/or text message) if you exceed it. Your threshold will be displayed as a gold line on the graph.
- ✓ Mouse over the green dots in the graph to display the kWh, dollar amount and date.
- ✓ Mouse over the dark blue vertical lines to display the high temperature for that day. This will help in understanding how weather can affect your daily usage.
