on the six-outlet swivel.

**For more information or to purchase surge protection,  
call 997-7283 or visit [www.surgesense.com](http://www.surgesense.com).**

LCEC provides utility-grade surge protection for your appliances and expensive electronics. The sensitive microprocessors in your electronics can be damaged by the long-term affects of small power surges. Don't be lulled into a false sense of security with a low-cost, plug-in power strip. Protect your investment before damage happens.

# **DON'T WAIT** until you receive a **High Electric Bill**

## Let LCEC perform an Energy Survey at your home.

LCEC energy advisors can help you save money on your electric bill by helping you understand your own personal energy usage and how to control your energy costs.

Did you know? Heating costs three times more than cooling.

Call LCEC at 656-2226 or 1-800-201-SAVE  
for an energy survey.

### An energy survey by a certified LCEC energy advisor includes:

- \$ Checking temperatures of your air conditioning system, refrigerator and water heater.
- \$ Inspecting weather stripping and caulking around doors and windows.
- \$ Checking the calibration of your thermostat.
- \$ Inspecting air filters and your duct system.
- \$ Inspecting attic insulation.
- \$ 12-month profile of your electric usage.
- \$ Free brochures on energy conservation.
