

CALC-U-\$AVER

for **BUSINESSES**

LCEC's Calc-U-Saver for Businesses is an online-energy tool that allows business owners and/or managers to quickly determine their annual energy usage.

- ◆ Six business categories
 - Offices
 - Medical Facilities
 - Educational Facilities (schools/colleges)
 - Retail (restaurants, grocery stores, convenience stores, retail stores)
 - Religious Facilities
 - Warehouses
- ◆ 55 different business types and sizes
- ◆ Benchmarking against industry average
- ◆ Calculates estimated annual energy costs by major end-use systems
- ◆ Compares current energy usage with any number of scenarios to determine whether or not a change is cost effective
- ◆ Extensive library of practical commercial energy system information

To access the most effective methods for saving energy at your home or business, visit www.lcec.net and select Calc-U-Saver from the Products and Services menu.

With LCEC and surgeSENSE

DUAL-STAGE PROTECTION from LCEC

you have the power to protect.

Sudden power surges can wreak havoc in your home. An internal or external power surge can instantly damage household appliances and expensive electronics you rely on.

Empower yourself to protect your home and valuables today. Call LCEC and ask about our surgeSENSE Dual-Stage Protection program. For just pennies a day, LCEC's high-quality surge suppressor package will protect your appliances, air conditioners, televisions, computers and more.

Don't be lulled into a false sense of security with a single plug-in. Lease or purchase surgeSENSE Dual-Stage Protection package from LCEC.
