Please read the following statements:

- I understand that signing this agreement allows Lee County Electric Cooperative (LCEC) to automatically transfer the electric bill to my name if a tenant/occupant requests a disconnect at a rental property listed on this agreement.
- I understand that if service is disconnected for non-payment, it may not be automatically transferred to my name. Per city and county regulations, an inspection is required before service can be reconnected at a commercial location.
- I understand that I will be charged an automatic connection charge of \$30.00 each time an automatic transfer is performed. I understand that this rate is subject to change if a rate change is approved by the Board of Directors.
- I understand that if I change any billing address, sell the property, need to add or delete properties, or wish to discontinue this agreement, I must notify LCEC.
- I understand that if a deposit is required on my account, I am not eligible to participate in the Landlord Agreement program.
- **I understand that if I do not have an existing password, I am required to contact LCEC at 239-656-2300.**
