A glowing streetlight is the central focus of the image, emitting a bright yellow light that creates a lens flare effect. The background is dark, making the light stand out prominently. The overall tone is urgent and attention-grabbing.

REPORT AN inoperative streetlight... AND WE ARE ON IT!

LCEC makes it simple to report a streetlight that is malfunctioning. Make an online report or call **1-800-599-2356**.

Just give us a description of the problem, the location or the number on the pole (example: S9999XX), and your contact information.

**This notice is in compliance with
Florida statute 768.1382**

Always call LCEC first

Before attempting to do it yourself, or hiring a contractor to prune or remove trees near our power lines, contact LCEC to perform a site visit.

We will determine the best course of action for line conflicts and your tree.
