

# Facts about surtaxes

The adoption of a local governmental surtax can be approved by voters in a county. The surtax is combined with the local sales tax that utilities must collect and remit to the Department of Revenue each month. When applicable, customers will notice the tax indicated separately on the electric bill.

If you have questions about the surtax in your county, please visit [floridarevenue.com](http://floridarevenue.com) or call Taxpayer Services at 850-488-6800.
