

Dear Member,

Please accept our condolences for your loss. As a member of Lee County Electric Cooperative, the deceased has accumulated an Equity Ownership balance. This balance is not a cash account but represents a portion of the net earnings of LCEC that have accumulated while the decedent was an active member of the cooperative. When and what percentage of the balance is returned each year is determined by the member-elected Board of Trustees and is influenced by the financial strength of LCEC.

The designated Heir will be eligible to receive all future Board-approved Equity distributions once we are provided with the following:

- A photocopy of the death certificate
- The enclosed Deceased Affidavit, signed in the presence of a notary public.

And one of the following:

- Photocopy of the page in the will naming the executor along with the signature page.
- Photocopy of the page in a trust agreement naming the trustee along with the signature page.
- Photocopy of a letter of administration or testamentary naming a personal representative.
- Written notice from the informant listed on the death certificate that none of these exists.

Please mail all paperwork to the below address. Failure to provide all requested documents will delay the processing of your request and may subject any current equity distributions to monthly administrative fees. Thank you for your cooperation.
