

# REGISTER FOR TWO-FACTOR AUTHENTICATION VIA SMARTHUB APP

To set up two-factor authentication for your SmartHub account, follow these easy steps. If not registered to SmartHub refer to [Setting up an account](#).

First, Login to your SmartHub account via the SmartHub Mobile App

1. Select "More" at the bottom of the home screen.
2. Select "Settings."
3. Select "Security."
4. Select "Two-factor Authentication."
5. Check the box to "Enable Two-Factor Authentication" then select desired method of contact and follow the instructions on the screen.
6. You will receive a notification from the desired contact method with a verification code. Enter the generated code in the SmartHub "Verification Code" box and click "Verify."
7. Upon next login to SmartHub, members will be prompted for a two-factor code based on chosen contact method. Receive and enter under "Authentication Code" and click "Sign In."
